RIT Linux Users Group

Week 1, Welcome to RITlug!

Club Eboard Introductions

President - Nate Levesque

Vice President - Mark Repka

What is a Linux User Group?

An organization that provides support and/or education for Linux users.

The term commonly refers to local groups that meet in person.

Meeting Format

Meetings are two hours, 4-6pm on Fridays

- Weekly Updates/Linux News

- Presentation, Discussion, Talk

- Work, Help, Discussion, anything!

Involvement Opportunities

- Come to meetings!

- Teach us something by volunteering to give a presentation

- Contribute to our Github repositories, which include our website and governance docs

- Help out at club fairs and other events

- Run for next year's Eboard

Can't make meetings?

- Join our Facebook page, fb.com/groups/RITlug

- Hang out in our IRC channel on Freenode, #RITlug

- Catch up on presentations and news from thelink. rit.edu/organization/Linux and ritlug.com

What has RITlug done before?

Talks:

- Getting started in Linux
- Creating Packages
- Pimp your Linux
- Pimp your Shell
- Scripting
- Filesystems
- Distributions
- Building media servers
- Contributing to Github projects
- Desktop environments
- How to install Arch
- i3wm

- Plan9
- ZFS
- Linux Gaming
- Vim
- Emacs
- ReactJS and Flux, NodeJS
- Gentoo
- ...and more!

As well as participating in:

- ImagineRIT
- Club Fairs
- FOSSBox Events

Today...

- Get to know everyone!

- What sorts of things would you like to...
  - ...learn about
  - ...teach us about
  - ...work on
  - ...show off?

- New to Linux? We'll help you get started!
